

We had to postpone the trip to tour the State Capitol we were planning for April 25 so we decided to play tourist at home in Amite County! We are putting a special twist on this trip however. It is exclusively for Dues Paying Card Carrying members of the Amite County Historical and Genealogical Society. In case you can't get to the EVENTS Listing here are the details as we have them so far. "The ACHGS official society membership will be treated to a special tour of Amite County places that are NEVER open to the general public. ONLY "Card Carrying, Dues Paying" Society Members are invited to this Event. New members are welcome but you must join by the April Meeting (4/14/15) to allow time for your membership to process and the tour information to get to you. This tour will be lead by several of our county's most knowledgeable historians! This is not to be missed!!!! We will caravan to our destinations." This is for April 25th and we will begin at 8:30 unless that changes. Other details are being finalized now and will not be released until April 14th.
